

Save South Tyneside Hospital Campaign

Save Our Hospital Services

Your Essential Health Services are under threat

On July 5 which is the birthday of Our NHS, details will be released of a consultation that threatens permanently closing vital services at South Tyneside Hospital.

Whilst health commissioners claim this is a path to “excellence” it is driven by massive cuts to both Sunderland and South Tyneside Hospital budgets and has not had the involvement, or even the support of most clinicians & staff.

Come to Our Public Meeting
Friday 21st July 6.30pm

*Brinkburn Community Centre, McAnany Avenue,
South Shields, NE34 0PJ*

Public consultation events will be listed here:

<https://pathtoexcellence.org.uk/>

Further details can be found at:

<http://www.savesouthtynesidehospital.org/>

Access to health care is a right of all in a modern society, and we demand that it must be guaranteed.
